PURPOSE AND SUMMARY

H.R. 3633 amends Title XVIII and Title XIX of the Social Security Act to permit a waiver of the prohibition of offering nurse aide training and competency evaluation programs in certain facilities. This measure permits a State to waive the current prohibition if

the State: (1) determines that there is no other such program offered within a reasonable distance of the facility; (2) assures, through an oversight effort, that an adequate environment exists for operating the program in the facility; and (3) provides notice of such determination to the State long-term care ombudsman.

#### BACKGROUND AND NEED FOR LEGISLATION

Under existing Federal law, a nursing facility may lose its ability to offer facility-based nurse aide training and competency evaluation programs for reasons that are unrelated to the quality of the program itself. This unintended consequence of current law arises from instances where some form of operational deficiency may exist, even though such deficiency is unrelated to the nurse aide training and evaluation programs and is being or has been corrected. As a result, nursing facilities, particularly those in rural communities, are prevented from conducting the training and evaluation that is integral to the provision of quality nursing care and the prevention of a staffing void.

This measure would revise current law to permit the continuation of nurse aide training and competency evaluation programs in affected facilities under certain circumstances. In order for a facility to continue its training and evaluation programs, the State in which it is located would have to make a determination that no similar program is in existence within a reasonable distance of the facility, conduct oversight activities to ensure that an adequate environment exists for operating the program in the facility, and provide notice of such determination to the State long-term care ombudsman. The Committee and the Administration agree that these training programs should continue under certain circumstances.

### CONGRESSIONAL BUDGET OFFICE ESTIMATE

Pursuant to clause 2(1)(3)(C) of rule XI of the Rules of the House of Representatives, the following is the cost estimate provided by the Congressional Budget Office pursuant to section 403 of the Congressional Budget Act of 1974:

U.S. CONGRESS,  
CONGRESSIONAL BUDGET OFFICE,  
*Washington, DC, September 18, 1996.*

Hon. THOMAS J. BLILEY,  
*Chairman, Committee on Commerce,  
House of Representatives, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has reviewed H.R. 3633, a bill to permit a waiver of the prohibition of offering nurse aide training and competency evaluation programs in certain nursing facilities, as ordered reported on September 18, 1996. Pay-as-you-go procedures would apply because the bill could affect direct spending.

The Omnibus Budget Reconciliation Act of 1989 included a number of provisions that required nursing facilities to conduct nurse aide training and competency evaluation programs. However, the Secretary could not approve such programs at nursing facilities under certain conditions. In rural areas where there are no nearby training programs, the bill would allow the Secretary to waive some of the restrictions so that a training program could be conducted at a nursing facility as long as the program would not be conducted by the nursing facility. CBO estimates that this provision would have no budgetary impact.

This bill contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act of 1995

(Public Law 104–4) and would impose no costs on state, local, or tribal governments.

If you wish for further details on this estimate, we will be pleased to provide them. The CBO staff contact is Robin Rudowitz.

Sincerely,

JAMES L. BLUM  
(For June E. O'Neill, Director).

#### INFLATIONARY IMPACT STATEMENT

Pursuant to clause 2(l)(4) of rule XI of the Rules of the House of Representatives, the Committee finds that H.R. 3633 would have no inflationary impact.

#### ADVISORY COMMITTEE STATEMENT

No advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act are created by this legislation.
